### 4. ADMISSION:

### 4.1 EXHIBITORS:

- Exhibitors may access the exhibition hall half an hour before the show starts and half an hour after the show closes, on each day, to service their booths and equipment, during exhibition days.
- Approval should be obtained from <u>Koelnmesse YA Tradefair</u> for working or entry, other than the prescribed hours. *Children below 18 years are now allowed.*

### 4.2 **CONTRACTORS**:

- All contractors other than the official contractors are requested to sign a performance bond guaranteeing their observance of regulations laid down by <u>Koelnmesse YA Tradefair</u>. Only after this, admission passes will be issued for carrying out the assembly and dismantling.
- For Raw Space Stalls the plan / drawings have to be submitted for approval to organiser (please submit three copies of the drawing, with all views) one month prior to the start of the event.

#### 5. EXHIBITION HALL SPECIFICATION:

Hall height available Maximum permissable height for custom stand construction - 4 mts.

Prior information has to be given to organiser if any exhibitior is planning for a stall

design with the height of more than 2.5 mt.

Floor loading capacity 10 MT/sqm

### 6. ELECTRICITY, WATER & COMPRESSED AIR:

### 6.1 **ELECTRICITY**:

Supply voltage: Single phase, alternating at 220 V, 50 Hz (±15%).

Three phase, neutral alternating at 415 V, 50 Hz ( $\pm 15\%$ ).

Exhibitors must inform the organiser about their power requirements by filling up the relevant form. **Please** refer Form 07 & Form 08.

- Exhibitors requiring different voltages and frequencies or special connections to equipment must arrange for their own transformers, converters or boosters.
- Fluctuations mentioned are only for reference. Exhibitors with SENSITIVE EQUIPMENT should make arrangements for a stabiliser. Organiser cannot guarantee uninterrupted power supply. Any failure in regular power supply during the exhibition or during the installation, due to technical or unforseen reasons, will not qualify for refund of money or any act of omission.
- Supply of electricity will be switched off, at source, 30 minutes after the show closes each day. Only specially installed 24 hrs connection will remain on.
- Only licensed electrical contractors can carry out work at stands. They should also submit a completion report and file at the organiser office, after completion of all wiring and connections. Actual connected load for all machines and equipment are to be mentioned. Accessibility for operations and repairs are to be maintained. Main supply point will not be covered. Please use approved equipment and wiring for operational safety. These will be inspected by the electrical engineer appointed by organiser and only after this approval power will be released.
- All electrical installation and equipment will comply with the Government of India regulations. Only organiser is authorised to make the electrical mains installation work.
- The rates for power consumption are understood for show days and one day prior to opening, including testing. Please refer **Form 08**.

### 6.2 WATER AND COMPRESSED AIR:

- Please note that the water supplied is untreated. Please refer Form 11.
- Exhibitor can use their own compressor by placing it outside the exhibiton hall, the cost for the same will be borne by exhibitor. This is allowed only when compressed air supplied by **organiser** is **not** inline with the requirement of the Exhibitor. Please refer Form 12.

### 7. EXHIBITOR - STAND CONDITIONS

- Exhibitor's booth must be fully manned during the show time. Exhibitors are not allowed to participate in any other activities, which can cause any problem to visitors / other exhibitors.
- All activities of the Exhibitor and his staff must be confined to their booth only. No advertising/canvassing is allowed elsewhere in the exhibition area without prior permission from the Organisers.

### 8. WORKING EXHIBITS & DEMONSTRATION:

### 8.1 SAFETY FIRST

- Following measures must be strictly observed, failing which organiser reserves the right to terminate the operation and demonstration of the working exhibits. Please note that this is done to avoid damage or injury, in the interest of safety.
  - Inform the organiser in writing of any working machinery to be exhibited, with a brief description of its operation and the demonstration intended to be carried out.
  - Provide safety conditions and standards as per international norms.
  - Working exhibits to be fully manned.
  - Sound generated should not disturb or interfere other exhibitors.
  - If there is any form of effluence from the working of the exhibits, arrangements will have to be made for its disposal. No disposal of fumes and exhaust gases will be permitted inside the hall.
  - The disposal, drainage of acids, petroleum products, hazardous chemicals, oils, lubricants and any other environment polluting substances must be arranged through. Please inform in writing and provide an application for the same.
  - Laser, X-ray, and smoke / fire emitting devices will be permitted only after approval from the Organiser and the local fire department. Please inform in advance of any such requirement.
  - In the event of any dispute between exhibitors, Organiser reserves the right to arbitrate.

### **8.2** The following items are **not allowed** in this Exhibition :

a)	Internal Combustion Engines	f)	Welding
b)	Radio-active substances	g)	Inflammable Items
c)	Hazardous or poisonous gases	h)	Explosive items
d)	Weapons or fire arms	i)	Hot air ballons
e)	Open flames	i)	Neon lights

k) Working furnace & heating/melting equipments.

### 9. LIABILITIES AND INSURANCE:

Exhibitors should posses a valid insurance policy covering theft, public liability, damage to property and effects personal injury, and any other such consequential risks with respect of their participation in this exhibition.

#### 10. FIRE PRECAUTION:

- Exhibitors displaying exhibits, which require chemical / foam extinguishers, must provide such fire fighting equipment in their booth at their own expenses.
- All passage must be kept clear. Aisles or back of booths shall not be used as storage space.
- Fire exits and access to fire fighting equipments shall be unobstructed.

### 11. DILAPIDATION:

Exhibitors are responsible for the costs of making good or replacing any damages or dilapidation to the exhibition premises, whether caused by themselves, their agents, contractors or any other persons employed or engaged by them or their agents or contractors, on their behalf.

### 12. STAND CLEANING:

- Organiser will provide for general cleaning in the exhibition halls, which includes carpet/ floor cleaning and refuse disposal, daily after the show closes. Exhibitors with lockable rooms are requested to place the waste paper baskets outside for collection, prior to their departure.
- The exhibitor is responsible for cleaning of his own stand, exhibits and displays. Stand cleaning services may be ordered through the relevant forms.

#### 13. PUBLICITY

Any projection of cyber light or similar equipment must be kept within the stall limits. No part of the hall or other booths may be used for the same.

### 14. AUTHORITY ON THE PREMISES:

In the event of any dispute on site, Koelnmesse YA Tradefair reserves the right to arbitrate. As the organiser, the decision taken by Koelnmesse YA Tradefair shall be final.

### 15. IN HALL FREIGHT HANDLING:

- Only the officially appointed freight forwarders are permitted to work in Hall and handle the on site equipment. You may use your forwarder to deliver the goods to the hall doors only. This regulation will be strictly enforced and is necessary for reasons of insurance, security, safety and control and for protection against damage to the exhibition.
- In the interest of an efficient, well coordinated move in and move out of goods, no private trucks, fork lifts or handling equipments (trolley, lift jacks etc) will be allowed inside the exhibition halls. All such equipments will be provided and controlled by the freight forwarder.
- Facilities for loading / unloading, unpacking / repacking, transportation of goods to booths, cargo handling equipment, skilled labour, removal and storage of empties will be available at the site through the official clearing and freight forwarding agency.

### 16. DELIVERY / REMOVAL OF EXHIBITS :

- No delivery or removal of exhibits or other equipment during the exhibition open hours is permitted. Such delivery, removal, replenishment of stocks may only be carried out before opening hours or after closing hours. Exhibitor have to obtain a GATE PASS from the Organiser to enable taking out of any material during or after the show.
- If the Exhibitor requires use of a forklift, truck or crane, then a layout, drawn to scale, should be supplied to the forwarder. This is in order to position all equipment, early during build up period, as entry of lifting equipment, after an advanced stage of construction, is difficult.

### 17. CONSIGNEE:

All consignment must be shipped prepaid & consigned as per instructions from official freight forwarder. On no account should cargo be shipped to any other party. Please contact the forwarder for the consignee details.

### 18. INFORMATION ON SHIPPING FOR THE EXHIBITORS:

- Goods entering under the ATA Carnet will be exempt from guarantee requirements. Exhibitors are requested to ship their goods in good time so as to avoid any delays in clearance. The word "RUSH EXHIBITION GOODS" on all packing materials will be helpful, particularly with rail traffic.
- Materials can be sent via ATA Carnet or Embassy Guarantee or Bank Guarantee. Exhibits can be cleared through Indian Customs without payment of Customs Duty, against any of these instruments.
- A facility for duty free temporary import of exhibits is available only to foreign exhibitors who remit the space rent in foreign exchange or Indian agents paying in equivalent Indian rupees.
- Detailed information on arrival deadlines, documentation, requirements, packing instructions and other relevant information for both Indian and foreign exhibitors can be obtained from any "OFFICIAL FREIGHT FORWARDERS" office.
- OFFICIAL FREIGHT FORWARDERS will offer the exhibitors, information and assistance in respect of re-export. It is suggested that exhibitors discuss their requirements and enter into comprehensive arrangements.
- Handling of heavier exhibits cases will have to be entrusted to the approved agencies only. At the time of movement of exhibits, it is suggested that exhibitors adhere to the programme prepared by **OFFICIAL FREIGHT FORWARDERS**.

### 19. SECURITY:

During the entire exhibition period, although official security guards will be provided by the organisers, exhibitors are responsible for the security of their exhibits, property, and personal belongings. Any loss or damage shall be at their own risk. Please note, only the official security agency staff will be allowed to be hired (for build-up & dismantling days only) in case any exhibitor wishes to have an independent security for thier stand. Kindly fill in Form 10 & submit to avail this facility.

### 20. OTHER INFORMATION:

- Photographs: Stands, articles or any other areas within the exhibition complex may not be photographed, drawn, copied or reproduced without the written permission of organisers.
- National & International Pavilions: Organisers of group pavilions and national / international pavilions are responsible for ensuring that all exhibitors on their stand are fully aware of and agree to abide by the rules and regulations as laid down by the organisers.
- **Visa Applications:** All foreigners must obtain an entry visa before proceeding to India and for a visa application all exhibitors are required to have an Invitation Letter from the Organisers.
- Custom Formalities: The exhibition area is not a duty free zone. Exhibits arriving at the venue are therefore subject to normal customs procedure. Please contact our official freight forwarders for more details.
- No Smoking: Smoking is prohibited within the exhibition halls & toilets. The exhibitor shall be held responsible for any damage or loss caused by smoking in the exhibition area.
- Parking: "Pay and Park" Zones.
- Business Center: Exhibitors / visitors can avail the facilities of the business center at nominal charges.
- Call-a-Cab services: Exhibitors could also avail of the call-a-cab service for local transportation in the city on the following numbers
  - a) +91-22-44224422 Meru Cabs
  - b) +91-22-43434343 Easy Cabs

### Basic furniture entitlement for Shell Scheme stands

				Area i	n Sq. m.		
Item	9	12	15	18	27	36	54
Partition walls, Carpet-grey, Fascia, white lamina- - ted 330 mm high, with company name in English							
Counter	1	1	1	2	3	4	6

These items are not interchangeable. You may opt for all or part of the items listed.

### Guidelines for exhibitors:

- 1. The organisers recommend no additions or any change to the Standard Shell Scheme. Should you do wish to do so, please contact the Organiser.
- 2. The Power socket provided in the stand is for charging laptops & mobiles only.
- 3. The exhibitor can't use the power socket for any other use.
- 4. Do not spray, use glue or silicone on the stand panels.
- 5. Do not paint, spray-paint, or write on the stand panels.
- 6. Do not drill, nail, perforate, tack down, staple or cause any damage to the stand panels or any parts of the standard shell scheme stand. Should you need to affix any exhibit or sign to the stand panels, please use double sided adhesive tape or self adhesive vinyl prints or contact the Organiser.
- 7. For multiple stands, partitions in between the stands will not be provided, unless specifically requested.

<u>Note:</u> In case of violation of the above rules, the official shell scheme stand contractor will be obliged to request the payment from exhibitor for any damage caused at the rate of INR (₹)2,500.00 per panel.

**Electrical:** The official shell scheme stand contractor will only provide the basic electric supply. For additional power requirement beyond their allocated provision, please refer **Form 07** in this manual to order the same.

### YOUR CHECKLIST TO THE SHOW:

- All forms have to be returned to the contact address given by the August 10, 2018.
- Orders will be processed only upon receipt of full payment.
- Orders received after the deadline will attract a 30% surcharge. Further, these orders are also subject to availability.
- The Organisers will send a confirmation note / invoice upon receipt of the order. Please contact us if you do not hear within two weeks of placement of order.
- Cancellation of orders on site will not be entertained and the full price shall apply.
- All items offered are on rental basis, inclusive of delivery, installation, standby maintenance and removal. Exhibitors will be liable for items ordered, upon delivery until return.
- The price mentioned in the manual is exclusive of tax. Taxes applicable will be paid by the exhibitor.

## **CATALOGUE ENTRY FORMS, PRODUCT INDEX** &

# ADDITIONAL ORDER REQUEST FORMS Kindly Complete and Return by August 10, 2018

### **CONDITIONS FOR CATALOGUE ENTRY**

### Paper size:

210mm. height, 125mm. width

### Language:

**English** 

### Type Area:

182mm. height, 100mm. width: 1/1 page

### Printing system:

Offset printing, cover multicolor, content single color

### Printing documentation:

Complete artwork in a CD with progressive color proof. According to the **Conditions of Participation**, an entry for each exhibitor as well as for each represented firm is obligatory. This obligatory entry contains 4 lines and two product indexes. Exhibitors who have not submitted their order forms within the stated time will be entered in the catalogue on the basis of the information available to the organizer of the exhibition, without any guarantee of correctness.

### **General Conditions:**

- 1. Any verbal agreements made when placing orders for advertisements must be noted on the order form.
- 2. Orders for entries in the catalogue are not confirmed by the publishing house.
- The management of the exhibition and their authorized representatives are entitled to refuse the acceptance of orders without giving reasons.
- 4. Orders can only be ceded to third persons if the organizers are in agreement.
- 5. The tariff for entries cannot include the costs for graphic work or for the execution of photos or films. If such work is necessary due to the execution of an order, it will be calculated separately. Furthermore the firm placing an order can be charged with costs resulting from considerable modifications of orders originally agreed upon.
- All insertions can be published correctly if perfect and undamaged documents, films, etc. are provided to the publishing house.

- 7. All publishing materials, which are not claimed, will be kept by the Organiser for two months.
- 8. No guarantee of adherence to space regulations are given unless the additional charge provided therefore in the advertising charges are paid. In the event of accidental nonpublication of an advertisement or insertion, partial or complete illegibility, incomplete printing, as well as in the event of incorrect placing or giving of incorrect hall and stand numbers, the order can make no claim to compensation. Errors in an insertion do not entitle the firm placing the order to refuse payment for another insertion for which payment is due.
- 9. Copy proofs of insertions are not forwarded. Please use standardized order form for insertions.
- 10. Only the number of lines actually printed in the catalogue will be calculated and not the manuscript as mentioned on the order form.

### **TERMS OF PAYMENT**

- 1. Payment to be made along with the duly filled in forms.
- 2. Force majeure etc. releases the agent from payment within the framework of the obstruction that has arisen.
- 3. No commission is payable to any advertising agency employed.
- **4.** All payments to be made through DD / Cheque in favour of **Koelnmesse YA Tradefair Pvt. Ltd.** payable at Mumbai or by Bank Transfer to

### Koelnmesse YA Tradefair Pvt. Ltd.

Our Swift Code is: hsbcinbb 002-812808-001
Bank Address: The Hongkong and Shanghai Banking Corporation Ltd., 52/60, M.G.Road, Fort, Mumbai-400001, India

5. All prices are net of GST and in the event of the same being applicable, it shall be paid by the participant to Organiser at the rate prescribed from time to time under the GST Act.
